FEDERAL FACILITY AGREEMENT (FFA) EXTENSION REQUEST, OPERABLE UNIT
(OU)-2C, LANDFILL SITES 3 AND 5, FORMER MARINE CORPS AIR STATION
(MCAS) EL TORO

Dear Mr. Piszkin:

The Department of Toxic Substances Control (DTSC) reviewed your letter dated August 19, 2003 and received by our office on August 25, 2003 requesting a 19-month extension for the submittal of the Draft Record of Decision for Sites 3 and 5. The extension request is made pursuant to Section 9.2 (g) of the FFA.

As indicated in your letter, a 19-month extension is needed to account for the extensive work and the time associated with resolve issues outlined in your letter.

We concur with you that the extension is necessary to conduct all the activities at Sites 3 and 5. As a result, DTSC agrees that good cause exists for the extension and hereby grants your request for changes to the FFA schedule. If you have any questions, please contact Mr. Rafat Abbasi, P.E. at (714) 484-5449.

Sincerely,

for John E. Scandura, Chief
Southern California Branch
Office of Military Facilities
